Dec. 2024	2.144.664	53.866.555

^{*} Data, in each period, is not cumulative, only quarterly data is given in each 3-months period. In calculating the average ratios, the data that is "greater than zero" is used in this report.

Statistics in this report consist of data from banks that are members of the Banks Association of Türkiye (deposit banks, development and investment banks) providing call center services. Participation banks are not included. While the data of the banks were aggregated, the data was not singularized.

[&]quot;Weighted avarage is used in calculating "Number of calls evaluated per agent" and "Number of agents per first manager" as of December 2012 period. Aritmetic mean (of data greater than zero) is used in other ratios.

^{*} The total number and volume of financial transactions was provided from 19 banks (out of 21).

^{*} Data, in each period, is not cumulative, only quarterly data is given in each 3-months period. In calculating the average ratios, the data that is "greater than zero" is used in this report.

Statistics in this report consist of data from banks that are members of the Banks Association of Türkiye (deposit banks, development and investment banks) providing call center services. Participation banks are not included. While the data of the banks were aggregated, the data was not singularized.

[&]quot;Weighted avarage is used in calculating "Number of calls evaluated per agent" and "Number of agents per first manager" as of December 2012 period. Aritmetic mean (of data greater than zero) is used in other ratios.

Statistics in this report consist of data from banks that are members of the Banks Association of Türkiye (deposit banks, development and investment banks) providing call center services. Participation banks are not included. While the data of the banks were aggregated, the data was not singularized.

^{*} Data, in each period, is not cumulative, only quarterly data is given in each 3-months period. In calculating the average ratios, the data that is "greater than zero" is used in this report.
**Weighted avarage is used in calculating "Number of cals evaluated per agent" and "Number of agents per first manager" as of December 2012 period. Aritmetic mean (of data greater than zero) is used in other ratios.

Glossary

A. Total Number of Call Center Personnel*

- * Data, in each period, is not cumulative, only quarterly data is given in each 3-months period.
- * Entry 1 to 6 include the number of agents working in the bank's call center.
- * Entry 7 includes the number of agents working on be half of bank's call center, outside of the banks location.
- 1. The number of part-time agents: Total number of part-time agents that worked in the related three-month period.
- 2. The number of full-time agents: Total number of full-time agents that worked in the related three-month period.
- 3. The number of supporting service staff: Total number of employees who do not take calls in the call center in the related thre-month period.
- **4. The number of managers :** Number of management team members who do not take calls in the related three-month period. ie. Team leaders, supervisors, call center manager
- 5. The number of agents that resigned and fired: Total number of agents that resigned and laid off in the related three-month period.
- **6.** The number of agents that transferred to another department: Total number of agents that transferred to another department in the related three-month period.
- 7. The number of agents working in the Outsource company on behalf of Bank's call center: Number of Agents working in the outsource company and giving the service of inbound and outbound calls on behalf of bank's call center.

B. Call Center Employee Profile*

- * Data, in each period, is not cumulative, only quarterly data is given in each 3-months period. The data A-7 is not included in this category.
- * Arithmetic mean (for data "greater than zero") is used in calculating the average ratios.
- 1. Gender: The distribution by gender of the total number agents, supporting service staff and managers in the related three-month period.
- **2. Academic background :** The distribution by education of the total number of agents, supporting service staff and managers in the related three-month period. Last school graduation was considered for students.
- **3. Geographical location:** The distribution by geographical location of the total number of agents, supporting service staff and managers in the related three-month period.
- 4. Average age: The average age of agents, supporting service staff and managers in the related three-month period.

Availability of SPK License: Total number of agents, supporting service staff and managers where SPK license is available in the related three-month period.

Foreign language speaking : Total number of agents, supporting service staff and managers who speak foreign language in the related three-month period.

C. Call Profile*

- * Data, in each period, is not cumulative, only quarterly data is given in each 3-months period.
- * Weighted avarage is used in average formulas.

Inbound

- 1. Number of incoming calls received calls by IVR: All calls answered or ceased in the IVR system. Calls incoming to agents or abandoned by the agents are not included.
- 2. Number of incoming calls answered by agents: Number of incoming calls answered and abandoned by the agents.

Total number of incoming calls = Number of calls answered by the agents + Number of calls abandoned by the agents.

3. Number of abandoned calls from agents

Answered calls (%) = (Number of incoming calls to agents-Number of agent abandoned calls) / Number of incoming calls to agents

- 4. Average talk time (second)
- 5. Average after call work time (second)
- 6. Average ringing time (second)
- 7. Average speed of answer (second)
- 8. Average time to abandonment (second)
- 9. Number of active customers: Number of customers that has called at least once in the past 3 months
